

**Jason Seidl**

Managing Director, Industrials - Airfreight & Surface Transportation

Jason Seidl joined Cowen in 2013 as part of the acquisition of Dahlman Rose and covers air freight & surface transportation. Prior to joining Dahlman Rose in 2008, he spent nine years on Wall Street following freight transportation companies. Throughout his career, he has been recognized for his stock picking and EPS accuracy in numerous national polls and surveys including most recently the 2019 StarMine Analyst Awards. Mr. Seidl also spent nearly five years working in trucking/parcel transportation. He has a Bachelor of Science degree in transportation distribution management from Syracuse University and a Master of Business administration from Rutgers University. He is a member of the executive advisory board for Syracuse University's School of Supply Chain Management, past President of the board of directors for the North East Association of Rail Shippers, and a contributing editor for Railway Age.
